M.S. Family Studies

1979 - 1982 **UNIVERSITY OF MASSACHUSETTS** Amherst, MA
B.A. Psychology
B.A. Spanish Bilingual Studies

LANGUAGES Bilingual: English, Spanish

CLINICAL EXPERIENCE

9/97 - Present **DIRECTOR, CHILD PSYCHOLOGY ASSOCIATES, P.A.**

Founder and Director of a group psychological services practice specializing exclusively in the full range of psychological assessment and intervention services for children: **Assessments** for developmental delays, autism, learning disabilities, attention deficit disorders; **Psychological Interventions** for academic/school performance problems, behavioral management difficulties, emotional adjustment difficulties, psychological trauma, feeding/eating difficulties, adherence to medical regimen and difficulties associated with chronic illnesses. Services available in English and Spanish.

9/98 - Present **COORDINATOR, PEDIATRIC CHILD PSYCHOLOGY SERVICES**
Baptist Children's Hospital, Miami, FL.

Clinical Consultant and Coordinator of Pediatric Psychology inpatient consultation liaison services to specialty programs including the Pediatric Oncology Team, Gastroenterology Department, Diabetes Treatment Team, and Pediatric ICU.

6/02 - Present **CO-DIRECTOR, SPELL READ P.A.T. OF SOUTH FLORIDA, INC.**
South Miami, FL

Purchased the Spell Read, P.A.T. reading intervention program (of Prince Edward Island, Canada—Currently the Kaplan Spell Read Program) for incorporation into our group psychology practice. Managed the financial negotiations related to the legal purchase of our licensing agreement along with rights for training teachers in the Spell Read, P.A.T. method. Also became a trained SpellRead, P.A.T. Intervention Specialist, providing reading intervention services to children diagnosed with dyslexia, reading disorder, and/or reading inefficiencies.

11/96 - 9/97 **SENIOR PSYCHOLOGIST, DIRECTOR OF CLINICAL TRAINING**, Pediatric Behavioral Medicine,
Miami Children's Hospital, Miami, FL.

Coordinated all aspects of clinical training of predoctoral psychology interns and practicum students including supervision, didactic seminars, program content, quality assurance, and budget management.

7/92 - 8/97 **STAFF PSYCHOLOGIST, CO-COORDINATOR OF CLINICAL TRAINING**, Pediatric Behavioral Medicine,
Miami Children's Hospital, Miami, FL.

Also served as staff psychologist providing a full range of psychological services (evaluations, psychotherapy, consultation liaison) to both inpatients and outpatients in a general pediatric hospital facility. Primarily responsible for coordination of clinical services to the Diabetes Treatment Team, the Diabetes Youth Summer Camp, and the Feeding and Swallowing Disorder Team. Additional medical services covered include: Epilepsy, Hematology/Oncology, Rheumatology, and Gastroenterology. Also trained to conduct specialized developmental and psychological assessments through the Neurobehavioral Evaluation and Treatment Team with children diagnosed with Autism/PDD, developmental and/or

GARY XAVIER LANCELOTTA (Curriculum Vitae) Page 3

neurological impairments.

5/93 - 9/97 **CLINICAL ASSOCIATE**, Ciminero and Associates
Psychological Services Practice, Miami, FL.

Associate in a group psychological services practice providing individual, group, and family psychological testing and therapy services to a diverse outpatient population.

6/93 – 9/97 **ADJUNCT FACULTY**, University of Miami,
Counseling Psychology.

2/90 - 6/92 **CLINICAL ASSOCIATE**, Schroeder Associates
Psychological Services, Rockville, CT.

Provided individual, group, and family psychological testing and therapy services to a diverse outpatient population.

9/90 - 8/92 **CLINICAL ASSOCIATE**, Clinical Psychology Program,
Graduate School, University of Connecticut,
Storrs, CT.

11/91 - 6/92 **CLINICAL PSYCHOLOGIST**, University of Connecticut
Health Sciences Center, Farmington, CT.

Provided bilingual developmental evaluations to AIDS infected children involved in the Aids Clinical Drug Trial investigation supported by the National Institute of Allergy and Infectious Disease.

12/91 - 6/92 **CLINICAL ASSOCIATE**, Grenier Consulting Associates, Canton, CT.

Clinical Psychologist consultant to the Hartford, CT Head Start Program.

6/91 - 10/91 **CLINICAL DIRECTOR**, Capitol Region Education
Council's Residential Education Center, East Hartford, CT.

In charge of overseeing all clinical services provided to approximately 45 day and residential emotionally disturbed children and adolescents. Responsibilities included direct supervision of five clinicians, inservice training, program development, development and implementation of a behavior management

GARY XAVIER LANCELOTTA (Curriculum Vitae) Page 4

system, and administrative duties.

9/89 - 6/91 **PSYCHOLOGY RESIDENT**, Newington Children's Hospital, Newington, CT.
(currently known as Connecticut Children's Hospital, Hartford, CT).

Consultant to inpatient medical staff and outpatient psychological services team providing therapy, behavior management consultations, and psychological/intellectual evaluations to children.

9/89 - 7/90 **SCHOOL CLINICIAN**, Newington Children's Hospital Day Treatment School.

9/88 - 9/89 **PSYCHOLOGY INTERN**, Newington Children's Hospital, Newington Connecticut.
APA-Approved child clinical/pediatric psychology internship (currently known as Connecticut Children's Hospital, Hartford, CT).

9/88 - 6/91 **HYPNOSIS TRAINING SEMINAR**, Newington Children's Hospital under Douglas Sue, Ph.D.
Weekly training in the principles and application of hypnosis to psychological treatment.

6/88 - 9/88 **PSYCHIATRIC CLINICIAN**, Children's Inpatient Psychiatric Services, NCH.
Provided individual child, family, and group therapy to an inpatient child psychiatric population.

10/86 - 6/87 **CLINICAL ASSOCIATE**, under Brainard Hines, Ph.D., Miami, FL.
Co-facilitated weekly group psychotherapy sessions with convicted sexual offenders including child molesters, perpetrators of incest, rape, exhibitionism, and voyeurism.

Summer 1987 **PSYCHOLOGY FELLOW**, Mexican Institute of Psychiatry and the National Children's Psychiatric Hospital, Mexico City, Mexico under Psic. Angelica Verduzco.

Provided therapy to Spanish-speaking autistic children and their families, and conducted research in psychological instrument development and validation.
