

JACQUELINE LEVY JAFFE, PH.D.

HIGHER EDUCATION

Doctor of Philosophy	Clinical Child/Pediatric Psychology, APA Accredited Program University of Miami, Coral Gables, Florida May 1996 - December 2000
Master of Science	Clinical Child/Pediatric Psychology University of Miami, Coral Gables, Florida August 1992 - May 1996
Bachelor of Science	Psychology University of Florida, Gainesville, Florida June 1987 - May 1991
Licensure	State of Florida Laws and Rules Exam Examination for the Professional Practice of Psychology May 2002
Honors	University of Miami Graduate School Scholarship and Research Assistantship: University of Miami School of Medicine, Department of Pediatrics, 1992-1997 Phi Beta Kappa: University of Florida, 1991 Golden Key National Honor Society: University of Florida, 1989 Dean's List: University of Florida, 1988-1990 Psi Chi National Psychology Honor Society, University of Florida, 1988-1991
Offices Held	Elected Representative to the Florida Psychological Association, University of Miami, 1995-1997 Child Track Representative, Psychology Graduate Student Association, University of Miami, 1994-1995

PROFESSIONAL AFFILIATIONS

American Psychological Association
APA Division 54, Society of Pediatric Psychology
Florida Psychological Association

POSITIONS HELD

Pediatric Psychologist
Pediatric Psychological Services, PL
May 2005 – present

Assistant Professor of Clinical Pediatrics

Department of Pediatrics

University of Miami School of Medicine

Division of Pediatric Hematology/Oncology

October 2002 – April 2005

Attending Pediatric Psychologist

Holtz Children's Hospital at Jackson Memorial Hospital

October 2002 – April 2005

Post-doctoral Fellow in Health Behavior Research and Pediatric Psychology

Department of Pediatrics

University of Miami School of Medicine

Mailman Center for Child Development

September 2000 – September 2002

Clinical Fellow in Pediatric HIV/AIDS

Division of Developmental and Behavioral Pediatrics

Department of Pediatrics

University of Maryland School of Medicine

July 1998 - June 1999

Pediatric Psychology Intern

Division of Developmental and Behavioral Pediatrics

Department of Pediatrics

University of Maryland School of Medicine

July 1997- June 1998

Graduate Practicum Student

Division of Pediatric Hematology/Oncology

Department of Pediatrics

Mailman Center for Child Development

University of Miami School of Medicine

August 1996 – June 1997

Graduate Practicum Student

Interdisciplinary Evaluation Team

Department of Pediatrics

Mailman Center for Child Development

University of Miami School of Medicine

May 1995 - August 1995

Graduate Practicum Student

Child Protection Team

Department of Pediatrics

Mailman Center for Child Development

University of Miami School of Medicine

January 1995 - April 1995

**Graduate Practicum Student
Pediatric Gastroenterology Clinic**

Department of Pediatrics
Division of Pediatric Gastroenterology
Mailman Center for Child Development
University of Miami School of Medicine
September 1994 - December 1994

**Graduate Practicum Student
Family Therapy Reflecting Team**

Mailman Center for Child Development
University of Miami School of Medicine
September 1994 - December 1994

**Graduate Practicum Student
Outpatient Child, Adolescent, and Family Therapy**

Psychological Services Center
University of Miami
September 1993 - August 1994

**Graduate Practicum Student
Outpatient Developmental Assessment**

Department of Pediatrics
Division of Special Immunology
University of Miami School of Medicine
June 1993 – June 1997

**Graduate Practicum Student
Division of Clinical Biobehavioral Medicine**

Department of Psychiatry
University of Miami School of Medicine
April 1993 - August 1993

RESEARCH EXPERIENCE

Site Neuropsychologist, *Pediatric Hydroxyurea Phase III Clinical Trial- Baby HUG*

Multicenter Trial Sponsored by the National Heart, Lung, and Blood Institute.
August 2003- April 2005

Co- Investigator, *Development of a Brief Questionnaire to Screen for Deficits in Neuropsychological Functioning in Children*

University of Miami School of Medicine
Department of Pediatrics
Division of Pediatric Hematology/Oncology
October 2002 – present
Data collection ongoing.

Co- Investigator, *Development of a Brief Questionnaire for Pediatricians to Screen for Problems in School*

Co-Investigator: Jeffrey Brosco, MD, Ph.D.
University of Miami School of Medicine
Department of Pediatrics
October 2002 – April 2005

Site Coordinator, National Pediatric Traumatic Brain Injury Consortium: Hypothermia Project

Site Investigators: John Ragheb, MD & Bonnie E. Levin, Ph.D.

University of Miami School of Medicine

Department of Neurology

Division of Neuropsychology

July 1999 – August 2000

Research Fellow, Adherence to medication regimens in children with HIV

Principal Investigator: John Farley, MD

University of Maryland School of Medicine

Department of Pediatrics

Division of Pediatric Immunology

July 1998 – June 1999

Principal Investigator, Health-Related Quality of Life in Children Perinatally Infected with HIV/AIDS (Dissertation)

Division of Pediatric Hematology/Oncology, University of Miami School of Medicine

Division of Pediatric Immunology, University of Maryland

June 1998- August 2000

Principal Investigator, The Role of Bilingualism in Interpreting Neurocognitive Outcomes in Children with Sickle Cell Disease (Master's Thesis)

Division of Pediatric Hematology/Oncology

Comprehensive Sickle Cell Center

University of Miami School of Medicine

January 1996 – May 1996

Research Coordinator, Behavioral Assessment of Coping Strategies in Pediatric Oncology Patients

Division of Pediatric Hematology/Oncology

University of Miami School of Medicine

January 1992 – January 1994

Research Coordinator, Cooperative Study of Sickle Cell Disease Natural History Study, Neurocognitive Protocol

Division of Pediatric Hematology/Oncology &

Comprehensive Sickle Cell Center

University of Miami School of Medicine

Site Investigators: Charles Pegelow, MD & F. Daniel Armstrong, Ph.D.

Supported by the Sickle Cell Disease Branch of the National Heart, Lung, and Blood Institute, National Institutes of Health

August 1992 – August 1996

Research Assistant, Infants of HIV-1 Seropositive Mothers, Neurocognitive Protocol

Division of Pediatric Hematology/Oncology &

Division of Pediatric Special Immunology

University of Miami School of Medicine

Site Investigators: Gwendolyn Scott, MD & F. Daniel Armstrong, Ph.D.

Supported by: National Institutes of Health, Ryan White Title IV

August 1992 – August 1996

Research Assistant, *Pediatric AIDS Clinical Trials Group, Neurocognitive Protocol*

Division of Pediatric Hematology/Oncology &
Division of Pediatric Special Immunology
University of Miami School of Medicine
Site Investigators: Gwendolyn Scott, MD & F. Daniel Armstrong, Ph.D.
Supported by: National Institutes of Health
August 1992 – August 1996

Research Assistant, *Pediatric Oncology Group, Neurocognitive Protocols*

Division of Pediatric Hematology/Oncology
University of Miami School of Medicine
Site Investigators: Stuart Toledano, MD & F. Daniel Armstrong, Ph.D.
Supported by: National Institutes of Health, National Cancer Institute
August 1992 – August 1996

Research Assistant, *Study of Family Interactions and Treatment Outcomes*

Department of Psychology,
University of Miami
Principal Investigator: Kristin Lindahl, Ph.D.
February 1994 - May 1994

Research Assistant, *Parent Responses to Invasive Procedures*

Division of Pediatric Hematology/Oncology
University of Miami School of Medicine
Principal Investigator: Connie Morrow, Ph.D.
August 1991 – December 1993

Research Assistant, *Quality of Life in Pediatric Oncology Patients*

Division of Pediatric Hematology/Oncology
University of Miami School of Medicine
Principal Investigator: F. Daniel Armstrong, Ph.D.
August 1992 – August 1996

TEACHING AND SUPERVISION EXPERIENCE

Clinical Supervisor: Post-doctoral fellows, psychology interns, graduate practicum students

Division of Pediatric Hematology/Oncology
Department of Pediatrics
Mailman Center for Child Development
University of Miami School of Medicine
August 2002 – April 2005

Instructor for Pediatric In-services : Pediatric Residents and First Year Medical Students

University of Miami School of Medicine, Department of Pediatrics
Developmental and Behavioral Pediatrics rotation
Spring 2001- April 2005

Clinical Supervisor: Psychology interns and graduate research assistants

Division of Developmental and Behavioral Pediatrics
Department of Pediatrics
University of Maryland School of Medicine
1997- 2000

Research Supervisor: graduate and undergraduate research assistants

Division of Pediatric Hematology/Oncology
 Department of Pediatrics
 Mailman Center for Child Development
 University of Miami School of Medicine
 1991 – 1997; 2000 - present

Instructor: Pediatric Psychology Rounds

University of Miami School of Medicine, Department of Pediatrics
 Division of Pediatric Psychology
 Academic years 2002, 2003, 2004

Guest lecturer: PSY 641 Issues in Pediatric Psychology

Clinical Interventions for Children and Adolescents
 Fall 2002, 2003

Instructor: PSY 101 Introduction to Psychology as a Social Science

University of Miami, Department of Psychology
 Fall 1994
